Sir:

**SUBMISSION OF SUBSTITUTE PAPER COPY AND
COMPUTER READABLE FORM OF SEQUENCE LISTING**

In the Notice to File Missing Parts of Non-Provisional Application mailed April 22, 2002, the Office advises Applicants that the application fails to comply with the requirements of 37 C.F.R. § 1.821 through 1.825 because the paper copy and computer readable form of the sequence listing contain several errors. In reply, Applicants enclose a substitute paper copy and a computer readable form of the Sequence Listing, which they request the Office to place into the application file. Please delete the current sequence listing and insert therefor the replacement paper copy of the sequence listing enclosed with this response.

As noted on the Raw Sequence Listing Error Report attached to the Communication, the sequence listing is missing a field identifier. The replacement copy of the sequence listing correct this deficiency. The computer readable form has been
